Re: CC Docket No. 96-45
Interstate Access Fund Support (IAS) for Competitive ETC
Annual Certification Filing

Dear Ms Dortch

This is to certify that Coon Creek Telecommunications will use its Interstate Access Fund support (IAS) only for the provision, maintenance, and upgrading of facilities and service for which the support is intended. Coon Creek Telecommunications is a competitive ETC providing service in Iowa Telecom's ILEC service territory (ILEC SAC 351167). No UNE zones have been established for this study area, and the ILEC chose Path One disaggregation

I am authorized to make this certification on behalf of Coon Creek Telecommunications. This certification is for the CLEC study area listed below:

| <u>Company Name</u> | <u>State</u> | <u>CLEC Study Area Code</u> |
|-------------------------------|--------------|-----------------------------|
| Coon Creek Telecommunications | Iowa | 359009 |

If you have any questions regarding this certification, please call me at the number below, or Joe Schuele at Martin Group Consulting at 605-995-6816. Thank you.

Sincerely,
